E-LEARNING RESOURCE HUB

South Harrison now has a resource hub that you can visit online. Please take time to look at this as there are some awesome resources that the kids can use if they are struggling or they are looking to advance in a skilled area. When you get to the website you will click on I am a student, I am a parent, or I am a staff member. Please take the time to visit this site. The URL is: <http://www.shcsc.k12.in.us/e-learning-resource-hub>
